Comments	<input type="text" value="I object to further housing being built anywhere around Banbury especially north of Banbury because of the road infrastructure!! Nothing is done to the roads it is so bad that from the Motorway to and up the Warwick Road it is bumper to bumper it can take 30 minutes to get to the motorway or to Bodicote from where I live. This is at peak times and the weekends. Before more housing is built Banbury's road infrastructure needs a major overhaul. Oxford has a ring road and so does Bicester and Bicester is smaller than Banbury. Some days it had taken shoppers 1 and half hours to even get out of Tescos and you want to build more houses. Are you insane or do you not live in Banbury? Before more houses are built we need a ring road, more exits on and off of the motorway and for people to actually use the relief road at Hanwell Fields which is basically empty. So until the community gets a proper road infrastructure we will object to more housing. If people can't even get out of Tescos car park how will emergency services cope!!!"/>
