Comments	<p>We have already taken on new estates in the village. They stretch the amenities. The village has always been liable to flooding and more buildings are likely to make this worse. More traffic will make the roads more dangerous. Availability to park has always been bad. The doctors surgery is already at full capacity.</p> <p>Cropredy is a historical village and we would like the beauty of it to be kept. We do not want to find that 2 villages have been joined together and are more like a town.</p> <p>Our environment and wildlife need to be preserved.</p> <p>As they have already lied about Cropredy surgery being in agreement and in discussions with them, how can it be trusted that nothing else they have said are complete lies.</p>
