<b>Comments</b>	<p>It light of all this construction work, it seems Cherwell is in supporting eroding the countryside, contributing to the ever expanding Banbury on the Southam road and throughout Hanwell fields/Warwick road. Creeping closer to the villages, where sadly there will be no countryside left to enjoy. Something which was literally a life saver to everyone in 2020.</p> <p>Cherwell must also consider the environmental implications, with light pollution, disturbing natural habitats and increased traffic, and how they are impacting the lives of those who have chosen to live in the countryside and the beautiful rural areas.</p> <p>Cherwell, you are making the entire town and surrounding area one big estate. Eroding natural beauty, peace and quality of life.</p>
