<b>Comments</b>	<input type="text" value="I am objecting to this application because firstly I don't believe this site to be suitable for families with children or without. It is clearly an unsafe environment to be raising young children in. It's next to a busy road with no street lighting or footpaths into the village or surrounding areas. There are no basic amenities such as water, electricity or sewage and no facilities in the neighbouring village of Piddington. (I.e. schools, shops, medical services or pubs.) Secondly, the site is right next to an army shooting range. Even from Piddington you can hear the firing remarkably loudly for very lengthy periods of time which can go on late into the night, sometimes even after 11pm. At such close range, the noise disturbances for the future inhabitants would be intolerable. I urge the planning committee to do the right thing and reject this poorly planned application for the sake of the families who would be truly unfortunate if they found themselves living in this field."/>
