<b>Comments</b>	<input type="text" value="As an existing resident on the redrow Estate with a house on the main road which would be used as an entrance to this site I object. The main road already has issues with people parking on the road, the redrow estate is already large and still has more houses to be added further increasing traffic with no other entrance to estate. Adding another estate which could only be accessed via the redrow one would compound traffic and parking issues for the residents who currently live here. Issue already exists where bin trucks block access due to parking on road, further increases to road traffic would make this worse and potentially cause issues for emergency vehicles."/>
