Comments	<input type="text" value="Strongly object to any development in the local area that is not within walking distance of Cropredy primary school. Without a car park the village is an accident waiting to happen, with many regular near misses that could have been fatal! The land has been offered for a car park for free for nearly 10 years due to this reason. Unfortunately with recent rising costs the parish council are now unable to afford the build. Alternative options have been taken to try build the car park, without parish funding. Please don't add to a very serious potentially fatal problem!"/>
