<b>Comments</b>	<input type="text" value="The proposed development is not set to have separate access from the main road, which will result in high levels of traffic through Tyrrell Road. Further to this, we are waiting for the completion of the Redrow development so that the road can be resurfaced adequately. This may be delayed if further building and construction is to take place. The current road surface is already a danger to pedestrians as the footpaths are uneven and the curbs are very high."/>
