Comments	<input type="text" value="I object to this outrageous development when our village is so small and is already used as a rat run and is so busy with traffic already. The current infrastructure is already extremely stressed and will not be able to cope with additional traffic. As a member of the golf club I am disappointed to lose the facility of 18 holes with no guarantee that the remaining 9 holes won't follow. Not to mention the entire development would be unsightly and unsustainable with what is already fast reducing green open space. Kriss"/>
