<b>Comments</b>	<input type="text" value="I would like to object to this planning application. As a resident of the surrounding villages for a considerable time, and now a resident of Chesterton, it is clear that this application will only increase traffic on what is already a busy and sometimes dangerous route. Traffic through and surrounding Chesterton is already heavy; this will cause the roads to be congested and far more dangerous for residents. We moved to Chesterton in June this year, and I am quite shocked that we haven't been consulted on this application since our house is very close to the golf club. Chesterton was our village of choice due to the location - however, this development goes against everything we sought after."/>
