<b>Comments</b>	<input type="text" value="The entrance to the new development would go through the Bloxham Vale estate, the road proposed (Tyrill Road) already has a lot of traffic flow, being the only way in and out of the existing development. The Bloxham Vale estate is still being built on and already cannot cope with the amount of cars, let along a further 65 houses. Traffic around Bloxham Road is already bad enough."/>
