Comments	<input type="text" value="I object to further housing developments for the following reasons:

Building more houses but not anymore services. This puts pressure on the existing schools, doctors, dentists and hospitals. Emergency services are stretched and schools at their maximum. Children are having to travel to the other side of town which means heavier traffic, more emissions and congestion.

The roads in and out of Hanwell are small and cannot cope with more traffic. When roadworks take place this can cause delays to the daily commute.

During the build phase heavy haulage vehicles create noise, dirt and dust. They drive fast and very much over the speed limit. It's extremely intimidating when driving near them and even when walking our dog.

Our locals fields are being taken away. We moved here as that was one of the appeals. Local wildlife losing space. We often see dear running freely but this will no longer be a sight to see."/>
