Comments	<p>This land has been agricultural land for years. Slowly but surely animals are being forced out of their homes, replacing it with houses</p> <p>The area is of significant historical interest - Saxon burial grounds the same as bell way Hanwell view. Tree preservation orders also.</p> <p>It's now if passed going to be impinging on the landscape, hanwell fields, aswell as being seen from hanwell village residents. the local road infrastructure isn't man enough, A serious line needs drawing. There isn't enough dentists, GP surgeries, to cope with even more housing.</p> <p>The green spaces we have left in this town need protecting.</p>
