<b>Comments</b>	<input type="text" value="I object, on the basis of the the traffic volume already being a major issue, including traffic volume to/from M40.&lt;br/&gt;NHS services, schooling, reduction in Horton General hospital; these services are already strained with the volume of people residing in the town (and areas) building more houses, bringing more people to the area os not going to help.&lt;br/&gt;Also the wildlife impacted by this. Often I will see foxes, badgers, deer, pheasants in the area, where are these animals suppose to reside if you build on their homes."/>
