| Comments | <input type="text" value="I am in objection to this planning proposal on grounds that the developers, both as a legal entity and individuals, have been involved in criminal activity relating to failing to comply with planning legislation, and arson of a listed building. The individuals/ATE Farms Limited have a demonstrated and proven lack of regard for laws, safety, stewardship of our architectural history as well as the environment. In addition causing global outrage to the arson of the Crooked House Pub (do Cherwell District Council really want to be subject to the negative press inevitable from approval and engagement with a Company and individuals at ATE Farms Limited!?). ATE Farms Limited should not be granted permission to develop this land in our district in any respect for fear of damage and non adherence to laws and regulations. It is against public opinion, and I imagine many people would like to see the Crooked House Pub rebuilt before these individuals are trusted with any further developments. 2 full time roles, and 4 part time is not enough to justify this proposal for the local economy."/> |
