Comments	<input type="text" value="I have lived in the village my whole life. It is such a shame because many people who grew up in the village aren't able to stay in the village due to the limited, overpriced houses. I believe if this application was granted it would be a brilliant opportunity for myself and other young people in the village to purchase our first homes and stay in the beautiful village we call home. It would also increase trade for all of the independent businesses already in the village. I don't believe the application would cause traffic implications as most traffic from the development would be using the Mollington hill road instead of driving through the village. I think the location is suitable and practical and overall will have a positive impact on the local area."/>
