Comments	<input type="text" value="This is the wrong facility being considered in the wrong place. The village of Chesterton is not equipped to deal with what this facility offers. Bicester and surrounding areas are already over Developed, with traffic at a standstill most days. I'm not sure what our council is thinking putting all of this development in one place. Not too mention the warehouses that are also going up,increasing the amount of lorries around the area. The facility at the centre of this application,is not for the people of Chesterton or Bicester. I for one am considering moving away because of all the development and traffic issues. Nothing is being done for the residents of Chesterton and Bicester."/>
