Comments	<input type="text" value="As a near neighbour to this proposed developement I wish to object strongly. The conservation area has already been scarred by the ground works being done.A vineyard on its own would not be too bad ,but an agricultural building should not be necessary as the owners have sheds and storage already on their land. A park for bikers vehicles would add to the destruction of what used to be a lovely rural valley.Any access to the road would be highly dangerous as on a blind bend , and would cross the path where walkers with children and dogs pass frequently."/>
