

APPLICATION No. 23/00977/OUT

TORCHARD VIEW
CROPREDY
4/12/23

Dear Sir/Madam, I am writing to object to the above proposal on the grounds that it will alter the balance that has been important in the development of the village. The village has a thriving Surgery which is already causing traffic congestion and dangerous parking on the Claydon Road.

The village amenities are already stretched by the recent growth. There will be a separate section of the built up area which is already evident between Kyetts Corner and the village core.

Finally, the new Surgery will attract even more vehicles to Cropredy and generate more traffic issues.

Thank you for your attention

Yours sincerely

 Pateman
