Case Officer	Katherine Daniels
Organisation Name	P Bottomley
Address	2 Kyetts Corner,Cropredy,Banbury,OX17 1JW
Type of Comment	Objection
Type	neighbour
Comments	<p>The application; does not enhance the lives of the villagers would use land more suitable to agriculture is suggesting the creation of a wild life zone. Who would monitor and manage it? would generate more vehicle movements not only by residents of the proposed development but also by visitors, commercial delivery vehicles and service vehicles could result in even more erosion and damage to the kerbs and verges causing a further increase in potholes does not identify employment opportunities for existing and potential future residents is not needed to boost building targets as it is reported that there is sufficient stock could result in creating a greater burden on our infrastructure already under pressure - viz continual replacement of burst water pipes does not help solve the lack of public transport proposes the possibility of providing communal facilities. This would be at the far north end of the village and may be too far for some elderly residents. I agree with the points raised by my fellow villagers who have objected to the application</p>
