<b>Comments</b>	<input type="text" value="This seems to be a developer putting a second application in when it could have put a combined one for phase 1 and phase 2 to try and nibble at the land as the houses move closer and closer to Hanwell village.&lt;br/&gt;We are losing food producing agricultural land in return for developers profits&lt;br/&gt;When we moved to Hanwell, Hanwell fields was a possibility that seemed to be passed by planning because the authority at the time wanted a northern ring road as the northern boundary of Banbury, what we have is an estate road with speed humps and traffic chaos throughout the town. We have enough new houses being built, some would say too many, but we do not need anymore on the northern edge of Banbury."/>
