<b>Comments</b>	<input type="text" value="A pub in these modern times has to adapt to bring trade to counteract declining support especially in areas where the local community fails to provide such support. We have visited this pub a number of times although it is not local to us and would welcome the facilities to enable us to occasionally stay for longer. Motorcyclists are no longer the marauding unruly mobs depicted by the 1970s. We are much older for starters and mostly as I find them, decent trustworthy folk. Having the right facilities will help this pub survive with a purpose that cannot be fulfilled locally."/>
