Comments	<input type="text" value="I totally object to this planning application. It is far too large and not in a place that will enhance the village. Disengeniously, the developers have misconstrued the comments of the surgery, which I believe they have already refuted. They talk about building a community hub...why and where? We already have a village hall, which although ageing, is more than adequate for our needs. The traffic created from this many homes will necessarily spill out onto the Claydon Road and will add to the rat run which already exists in the morning and evening."/>
