To Whom It May Concern,

I am writing to express my strong support for the planning application 24/00539/F submitted by Oxford United Football Club. The proposed new stadium at The Triangle, just outside Kidlington, holds immense promise for both the club and the local community.

Key Points:

Securing the Future of Oxford United: A new stadium would provide a secure and sustainable future for Oxford United Football Club. As a fan and resident, I believe that investing in modern facilities is crucial for the long-term success of our beloved club. Community Benefits: The proposed stadium is not only about football; it represents an opportunity to create jobs, boost the local economy, and enhance the overall quality of life for residents. The Triangle development can serve as a hub for community activities, events, and gatherings.

Infrastructure and Accessibility: The location of The Triangle is strategically chosen, ensuring accessibility for fans, players, and visitors. Improved transport links and parking facilities will contribute positively to the area.

Pride and Identity: A new stadium becomes a symbol of pride for the community. It signifies progress, ambition, and a commitment to excellence. As a resident, I look forward to having a state-of-the-art facility that we can all be proud of.

In conclusion, I urge the Cherwell District Council to approve planning application 24/00539/F. Let us embrace this opportunity to shape the future positively, both for Oxford United and for the vibrant community that surrounds us.

Thank you for your attention to this matter.

Sincerely, George Savva
