Comments	Hi having been a supporter for over 55 years mostly at the Manor ground in Headington and later at the Kassam. I feel its must that Oxford United find a new home and release the

and have an state of the art ground we can call home.

burden of Mr Kassam. The club have well and truly been seen of by this man. Its time to

have a football ground we can call our own, and the triangle is the perfect place, its not in Kidlington and would have perfect transport connections. Lets hope the planning goes ahead
