Oxford United Football Club means so much to me and thousands more in the County. I've supported the club for over 50 years, seen many smiling faces. (OK some grumpy ones to when results aren't so great). Most people know that if the club don't find a new home in the county then it will fold. The triangle is a superb location as it has the railway network and scope for coaches to come in from all directions, as well as giving top class facilities to amateur sports and various employment opportunities for local people. So please give this development the go ahead. Thank you.
