1. Traffic problems are bad enough, on match days it is going to be horrendous . Where are all the cars going to park? The so called parking the stadium propose in inadequate for the capacity of 16,000 football supporters. There will be traffic jams and gridlock and widespread parking issues What is to stop them parking outside where I live and causing parking problems. it is going to be HELL living here if the stadium is approved.
2. The football stadium wants to open 365 days of the year!!!! Are they going to promote concerts? The pollution it will cause horrendous noise,extra cars, buses, air and noise pollution.
3. Safety issues is a huge concern with the extra traffic on people living in the area.
- 4.loss of more Green Belt .
5. Why does the stadium need a 180 bed Hotel on the site ? If the hotel is built where are all the cars from the staff, people staying in the hotel going to park? What is to stop them building other buildings on the site?
6. Destruction of bio-diverse wildlife habitat.
- 7.OUFC MUST HAVE A PLAN B. THE KASSAM STADIUM IS KNOWN TO BE AVAILABLE.
- 8.There are NO very special circumstances to justify destroying the LAST PIECE OF GREEN BELT BETWEEN KIDLINGTON AND OXFORD.
