Comments	I would love to see the stadium be placed near a train station! I have two children, 9 &7 and we have to drive from Hertford to the Kassm to get to enjoy football every other week. The new proposal would mean we could get the bus and train to the football.	ł
	We are no longer able to get to the kassam by public transport due to the stopping of the bus from Heyford to Oxford due to OCC funding issues.	
	Please approve this new stadium so we can be more thoughtful, less costly and easier to take my children to games.	
	We need to build facilities for our younger generation in our local area!!!
