Comments	Hi. I support the new stadium. I currently have to drive to games and meet with family up there. None of us live too far away, but we currently need 3 cars. With the new stadium we would all take the train. We have never felt wanted at the kasssm and we know he only built	

(to half the original spec) it to obtain the land around for hotels etc. The club have huge support within the county and surrounding area, it's such a community hub. Our own ground would only drive this on. Please support the application.
