Comments	I would urge the council to approve this application. As a supporter of Oxford United since 1968 it is difficult to put into words just how much the club means to me and to thousands of others, but I write also as a resident of Oxfordshire, where I have lived for most of my life and which is the only place I can think of as home. This is a chance to provide an excellent long-term facility not just for the club but for the people of Oxford and Oxfordshire, of benefit to the whole community - Kidlington in particular - and a genuine legacy for future generations of Oxonians. Please do not pass up this opportunity.
