Comments	The land is Green Belt. There is a very long standing agreement to maintain the Green Belt

dividing Oxford from Kidlington. The area is a haven for flora and fauna. The traffic situation is already intolerable. Suggestion of closing the road is unacceptable. A bridge to Oxford Parkway parking? The car park, train and park and ride, is full most days including and especially weekends. There is no spare car park capacity. There is no viable business case for Oxford United. They already have a stadium.
