Comments	I fully support the application. Kidlington is in desperate need of facilities that the youngsters and future generations can use. Football is not just a game it is a way of life for so many people and important to people's mental health. A place for people to meet up with fellow supporters. This club has been part of my life for the last 50 yrs and I have passed on that passion to my 2 sons who are also huge Oxford United fans. Please don't let our club die.
