Comments	Dear Committee	
	first watched Oxford Utd at Wembley Stadium at the age of 7. 30 years later I went back with my club - alongside my Father and my 7 year old son to Wembley Stadium.	
	A football club is what the City needs, for so many reasons. It's the glue that keeps the community together and without this new stadium that will die.	
	I urge you to promote th	is critical project and continue to support your community.
