Comments	Building of stadium to be financed by the construction of an unsightly commercial development that is not wanted or needed in its own right. Destruction of 'Kidlington Gap' - substantial new housing development either in progress or with planning permission to the south, east and west of the proposed site. Murkiness of Club's arrangements with Kassam Stadium and City Council's inactive role in facilitating the locating a City club within the City. Lack of clarity regarding transport on match days.
