Dear Sir/Madam

I wish to object about the development of The Triangle. The size of the plot is too small and there would be nowhere for fans to park. They play on the other side of Oxford near their fan base. The existing site has space around it and should be kept if possible. Trying to move to Kidlington is a mistake as it is too congested. I understand that one of the reasons for the move is so they can sell their own products without a middle person. I wonder if this is true and that it is purely monetary gain.

Yours faithfully
