I object to the planning application for the stadium as I'm concerned about increased traffic on the nearby roads, which are the main routes from Kidlington to Oxford, and to the hospitals. Road closures would be totally unacceptable.

I'm a volunteer driver, taking patients to the John Radcliffe Hospital, Churchill Hospital, Nuffield Hospitals, and others. The Oxford Road past the Triangle is the main route to all these hospitals.

I'm also concerned at the loss of the Green Belt separation of Kidlington and Oxford.
