Comments	As an exiled OUFC ST holder I am looking forward to being able to use public transport to get to the new stadium due to its proximity to suitable railway/P&R Hubs and the potential to take a short walk on a matchday. Equally I look forward to having a longer stay in the area with the accompanying financial support both on matchdays and other events that may take place at a multi-use stadium. The plans are practical & environmentally considerate and will also provide an immense boost to local sport, local employment, community and opportunities for all. Furthermore they will ensure the only professional sports team in Oxfordshire has a long term, sustainable home.
