Hello,

I am writing in about sending in an objection letter about the proposal by OUFC for the Triangle site. I tried to upload to the website yesterday but it didn't work. Was there a glitch in the system?

Is this the better way to send in comments?

Can I also ask, if you don't have the plans for the bridge across the road between the proposed football stadium and Oxford Parkway, why the planning application was accepted in the first place as being complete? It clearly isn't.

When does the club propose to add those in, as that is pretty important in considering the whole proposal and putting together an appraisal of the scheme and would thus reflect in the comments that people can contribute to this process.
