Good morning,

This great Football Club is part of my life/heritage So many highs, so many lows. Whatever has happened in my life there has been one constant OUFC.

Please do not let the Club die this wonderful Green/ECO development will create a base for for so much more than a football club and the benefits to the local community/area. Going forward Great British Railways will hopefully provide a wonderful infrastructure to transport fans and the city has a great Bus system.

The City, the area the club can have a great future, we have investors and staff who care for this club and we all want to move forward together.

Don't let mine and our club dreams fade and die.

COYY and thank you Oxford United and thank you Cherwell Council for listening and hopefully your support and approval.
