<b>Comments</b>	<input type="text" value="Please vote in favour of the new stadium build for Oxford United FC at The Triangle. It is not something we, as a fan base want, it is something that, we, as a community, NEED. It will provide a home to the only professional sports club in the county, it will provide employment to the local community, as well as being a venue that could host all manner of events. This is something that we should all be getting behind and having a place in our county that could be the envy of sports fans country wide. Please, please, please approve this application."/>
