Comments	Dear sir/madam
	oxford united need a new home. This is the heartbeat of a community. having a county wit a football club with as much history as we have isn't worth thinking about. it's is my mental health break my family for decades have followed the club through thick and thin and withought having a place to call home it would be a disaster in my opinion. The new stadium would bring hundreds of jobs to the area, would be a world class stadia and conference centre a city as well known around surely deserves this. Oxford United isn't just a football club it's a family please don't kill our club and our dreams
	kind regards Lee
