I am writing to express my wholehearted support for Oxford United's exciting new stadium proposal. As a dedicated fan of the club, I firmly believe that this project represents a significant opportunity not only for the future of Oxford United but also for the entire community.

The prospect of a state-of-the-art, eco-friendly stadium on the proposed site near Kidlington is truly thrilling. It offers the chance to create a vibrant hub for sports, entertainment, business, education, and community activities. This development would not only enhance the matchday experience for fans but also provide valuable resources and facilities for the wider community to enjoy.

With the lease at the Kassam Stadium set to expire in 2026, it is imperative that we act now to secure the long-term future of our beloved club. The proposed new stadium, with its capacity of 16,000 seats, represents a vital investment in the continued success and vitality of Oxford United.

I am fully committed to supporting this project in any way possible. I urge you to consider the immense benefits that this new stadium will bring to our community and to lend your support to this important initiative.

Together, we can make a difference and ensure that Oxford United has a home that we can all be proud of for generations to come. Thank you for your attention to this matter, and I eagerly anticipate the positive impact that this project will have on our club and our community.
