Comments	I struggle to see how this could this not be seen as a positive addition to the area and the city of Oxford? The football team is so much part of the city and this location will give fantastic access to so many fans to get to with ease - particularly by greener ways. And will encourage more to come. It will bring jobs and business and a great sense of pride to the community. Something many people can get behind even of outside of football. Such an exciting prospect! So exciting for the city.
