Comments	As a Oxfordshire resident and supporter of Oxford United I am kindly asking you to support a positive decision regarding the planning application for the land known as the triangle. As well know any delay could threaten the future of the only professional football club in the county. My father first took me to the manor ground as a child and since then I've been hooked and the club is part of the family. As I've recently become a father I would love to take my son t watch the football club in the future and would hate to see this put at risk. Please support the football club.
	Kind regards
	Lewis Knight
