Comments	I express my full support for the proposed development of the Oxford United Stadium in Kidlington. As I am sure you are well aware, Oxford United are looking at a future without a stadium in
	2026. A critical, unifying component of the county, the future of our club needs to be secured for the benefit of future generations.
	I urge you, as a council acting on behalf of the people, to sign the Heads of Terms and the lease option agreement.
	After years of renting this is an incredible opportunity for the club to establish itself, emulating the success of other clubs who have have achieved not only success on the pitch but success in the wider community.
	Your support in this matter is crucial, and I encourage you to represent the interests of the community by backing the Oxford United Stadium development.
	Yours sincerely,

Liam Garry
