Comments	The club now has no other option but to move to this stadium. The lease at the current stadium is expiring soon, with the landlord not wanting to extend. If this isn't approved then Oxfordshires only professional club will fold. The location isnt perfect but I've been supporting us since 1996 and we've been searching for the perfect spo since them and its never appeared. I cant see any other option than what is being proposed at the current site.
