Comments	I wish to support this application. I am a female in her 70's who has only been attending games in the past 10yrs. The club has been so important to me, from personal calls during the lonely times of lockdown to giving me something to look forward to when health has not been great. The location is perfect, being so close to public transport. It's not just about football - it is about community, please do not allow the club to die.
