Comments	The issues from my perspective are: -The proposed closure of Oxford Rd on match days- this will add to traffic backing up from Pear Tree roundabout and Frieze Way, which are already busy thoroughfares. It could also cause issues for emergency vehicles Parking- not all match goers will use public transport and I believe some people will park further afield in Kidlington and walk to the ground from residential roads I don't believe all possible viable options for Oxford United to stay on the Kassam site have been explored. Moreover the consultation for the whole process has been sadly lacking.
