Address		
Type of Comment	Objection	
Туре	neighbour	
Comments	I am objecting for the following reasons:	
	It is being built on Green Belt land, destroying natural wildlife habitat and not in line with the local plan. It will bring with it traffic chaos on match days, especially if there are the proposed road closures. Local residents will have fans parking on residential roads as there will be no parking provided. There is no proof that the majority will use public transport.
