We would like to support OUFC application as fans & local residents.

With three young children in the house, i believe this will boost there sports development & many others in the area over the coming years. Having had first hand experience of the shortage of facilities in the local the area a professional sports club can only boost, improve & have postitve impact on all.

Extra jobs, a excellent facility & something to be proud of can only foster a sense of pride & identity in the community.

We would love to see a thriving football club in the area, inturn this would not only help local buisisness to develop but give them untold opportunities for development & growth.
