Comments	Very much against. Not the right place for a football stadium. Will make getting in and out of kidlington impossible, roads unable to cope. Causing havoc for emergency services to get through. What was the point and expense of the vote for kidlington residents of wich 70% were against this. All very well for those living miles away with no thought for the residents! If the thought is that supporters will use public transport this will not help residents as buses and trains could be overloaded! Funny we have only been given 2 days to send in our objection!!!
